Question related to:	EN/prEN:	Other:	
Annex:	Article:	Clause:	
Key words: slip resistance of footwear			
Question: Slip resistance is now an essential requirement (see recommendation for use 0.061 rev 3). What have done the notified bodies to inform their customer?  Recommendation for use 0.061 rev 3 specifies that if slip resistance is not tested it must be specified on the user information. Is it done ? Is it possible to create a standard text			
Solution: For the new products, this standard sentence shall be written in the user information when th slip resistance requirement are not fulfilled:  "No claims are made for the slip resistance properties of this product".
