Question related to: Sole design	Annex:	Article:	EN ISO
			Other:
			Clause:
Key words: Sole design			
Question: A boot manufacturer send us 3 sizes for the CE marking of a product (see photo). He explains that the 3 shapes of sole have an equivalent philosophy. He wants to have one certificate for the product. Is it acceptable?			
Solution: These products must be on two certificates (one for each outsole mould design). Each certificate to be supported by its own set of tests based on that particular outsole design.
