Article:

Annex: VII

Clause:

Module C2

Key words:

Sample selection / production address(es)

Question:

Module C2.3.a requires only the manufacturer's address to be specified. In many cases the production site(s) will not be the manufacturer's address. How should this procedure cover the actual production sites?

Solution:

The application required under C2.3 shall also include the production site(s) if they are different from the manufacturer's address. The requirements of C2.4 shall apply to all production sites.
